

The diagram features a central light gray hexagon with a black outline. Inside this hexagon is a smaller white hexagon, also with a black outline. The text "Expansion Headers" is centered within the white hexagon, and "cNGD" is centered within the gray hexagon. Two gray arrows point horizontally towards the left and right sides of the white hexagon. In the background, a dashed gray rectangle is visible. At the bottom left and right corners, there are partial views of pink hexagonal shapes containing the text "ns" and "μTr" respectively.
